In response to the Office Action dated June 13, 2002, the period for response to which

01 FC:1202 having been extended through November 13, 2002 by a Petition for Extension of Time and fee

filed concurrently herewith, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend claim 1 to read as follows:

1. (Amended) An electron-emitting device comprising:

an electron source layer made of one of a metal, a metal alloy and a semiconductor;

an insulating layer formed on said electron source layer, said insulating layer having at

least one island region serving as an electron-emitting section in which film thickness of said

insulating layer is gradually reduced;
